7 MAC AS A SUSTAINABLE BUSINESS

248 employees from 8 companies received OSHA hearing conservation testing

(with 8 additional OSHA testing sites scheduled for the remaining half of 2022 and 2 scheduled in 2023)

158 hearing healthcare appointments were completed on MAC with 117 patients at senior living facilities

(MAC visits on a monthly basis with partnered facilities for patients to schedule appointments as needed)

“HEAR Wisconsin was great, they took care of our employees and staff. The process was easy, the experience was simple and quick. Highly recommend.”
